Dear Member:

Your Aetna® supplemental health plan coverage has recently ended. But this doesn't need to be goodbye.

Did you know you can carry your benefits with you?

Bring your benefits with you through our portability option. That means you get the choice to continue your coverage upon termination, through an option called portability coverage. You would just need to pay the premium directly to Aetna Voluntary if you wish to carry over your coverage.

Carry over your coverage

If you would like to continue your coverage through the portability option, just follow these easy steps:

- First, call Member Services at **1-800-607-3366 (TTY: 711)**.
- Next, a representative will provide the monthly premium amount based on the level of coverage you had when your coverage ended. Note: You will need to pay the monthly premium for all months to bring your coverage current.
- Finally, complete the **Portability Coverage Election form** and submit it along with the full premium due to the address provided.

So continue your coverage today.
